You blow out the candles three times. Each time, mean it when you say sorry.

Gray is your cue. When you hear it, read the next line in big print.

BIRTHDAY KID *Hey! What did you do that for?*

YOU **Oh, I am so sorry. I shouldn't have done that.**

BIRTHDAY KID *Why did you do that?*

YOU **I don't know. I just couldn't help myself. I'm sorry.**

BIRTHDAY KID *STOP IT!*

YOU **I'm so sorry...**
