Parent

You light the candles and count everyone in to sing.

Gray is your cue. When you hear it, read the next line in big print.

ACTION *Birthday Kid stands at the table. Guests gather around. Parent "lights" the candles.*

YOU **Okay everybody, here comes the cake! Ready? One, two, three...**

BIRTHDAY KID *It's okay. I forgive you.*

YOU **Let's try again. One, two, three...**

BIRTHDAY KID *Fine. I forgive you. But don't do it again.*

YOU **Last time. One, two, three...**

BEST FRIEND *I'm so sorry...*

YOU **Forget it. I'm just cutting the cake. Worst birthday ever.**
