Ben

You're one of the friends. You ask the questions that get Tyler going.

Gray is your cue. When you hear it, read your highlighted line.

MARCUS *I heard it from inside the house.*

BEN **I thought somebody was getting kidnapped.**

TYLER *I got you, bro.*

BEN **So what are y'all doing after church?**

TYLER *Oh, last week his mom made broccoli, and Jake sat there gagging like he was dying.*

BEN **Over broccoli?!**

JAKE *Tyler. Don't.*

BEN **Why not?**

JAKE *THEN WHY DO YOU KEEP DOING IT?!*

BEN **I'm starting to think he doesn't know what sorry means.**
