Marcus

You're one of the friends. You can't believe what you're hearing.

Gray is your cue. When you hear it, read your boxed line.

JAKE *It was not a scream!*

MARCUS

I heard it from inside the house.

JAKE *Tyler!*

MARCUS

Wait, what?

TYLER *Okay! I won't do it again. Promise.*

MARCUS

So, Jake, you coming to play basketball Saturday?

TYLER *Because last time he shot one, it went over the backboard and hit somebody's grandma.*

MARCUS

NO WAY!

BEN *I'm starting to think he doesn't know what sorry means.*

MARCUS

He knows how to say it. That's about it.
