Ben

You're one of the friends. You ask the questions that get Tyler going.

Gray is your cue. When you hear it, read the next line in big print.

MARCUS *I heard it from inside the house.*

YOU **I thought somebody was getting kidnapped.**

TYLER *I got you, bro.*

YOU **So what are y'all doing after church?**

TYLER *Oh, last week his mom made broccoli, and Jake sat there gagging like he was dying.*

YOU **Over broccoli?!**

JAKE *Tyler. Don't.*

YOU **Why not?**

JAKE *THEN WHY DO YOU KEEP DOING IT?!*

YOU **I'm starting to think he doesn't know what sorry means.**
