Ben

You're one of the friends. You ask the questions that get Tyler going.

Gray is your cue. When you hear it, read your boxed line.

MARCUS *I heard it from inside the house.*

BEN

I thought somebody was getting kidnapped.

TYLER *I got you, bro.*

BEN

So what are y'all doing after church?

TYLER *Oh, last week his mom made broccoli, and Jake sat there gagging like he was dying.*

BEN

Over broccoli?!

JAKE *Tyler. Don't.*

BEN

Why not?

JAKE *THEN WHY DO YOU KEEP DOING IT?!*

BEN

I'm starting to think he doesn't know what sorry means.
