Birthday Kid

It's your birthday. You keep forgiving your friend, until the third time.

Gray is your cue. When you hear it, read the next line in big print.

ACTION *Best Friend cuts in front and blows out the candles.*

YOU **Hey! What did you do that for?**

BEST FRIEND *Oh, I am so sorry. I shouldn't have done that.*

YOU **It's okay. I forgive you.**

ACTION *Best Friend cuts in again and blows out the candles.*

YOU **Why did you do that?**

BEST FRIEND *I don't know. I just couldn't help myself. I'm sorry.*

YOU **Fine. I forgive you. But don't do it again.**

ACTION *Best Friend bursts in and blows out ALL the candles.*

YOU **STOP IT!**
